

PROMOTING BRITISH VALUES POLICY

WOLSEY HOUSE PRIMARY SCHOOL

HEADTEACHER: MRS H.M. KING
CHAIR OF GOVERNORS: MR M PEATFIELD

Promoting British Values Policy

We believe British values are best defined as 'democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs' although these values are not actually unique to Britain alone.

We support the rule of English and criminal law and we will not teach anything that undermines it.

We have a duty to actively promote and embed these values and to challenge pupils, school personnel or parents who express extremist views contrary to fundamental British values. We want to ensure pupils are prepared for life in modern Britain by the active promotion of and respect of British values.

We believe these values are reinforced regularly through a broad and balanced curriculum and through:

- being a UNICEF Rights Respecting school, the school council, pupil questionnaires, school councillor elections, class charters (**Democracy**)
- school rules, playground rules, safety rules, visits from the Police, visits to a council chamber and to meet local councillors (**Rule of Law**)
- e-Safety, PSHE, extra-curricular activities (**Individual Liberty**)
- Golden Rules, behaviour policy (**Mutual Respect**)
- RE, PSHE, celebration of different faiths and cultures, visit to places of worship of world faiths, promoting languages of EAL pupils, links with schools in other countries (**Tolerance of those of Different Faiths and Beliefs**)

We give pupils 'first-hand experience of the diverse make-up of modern British society' by teaching them respect for other faiths and developing their awareness and knowledge of communities different than their own. We value the diverse ethnic backgrounds of all our pupils and throughout the year we hold a variety of events to celebrate these.

We 'expect teachers to uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school' and 'not to undermine fundamental British values'.

We aim to be judged at least good in all school inspections by ensuring that pupils understand the importance of British values and leave school ready to play their full part in British society.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

WOLSEY HOUSE PRIMARY SCHOOL

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
