

PUPIL PREMIUM (PP)

WOLSEY HOUSE PRIMARY SCHOOL

HEADTEACHER: MRS H.M. KING
CHAIR OF GOVERNORS: MR P. MOWBRAY

WOLSEY HOUSE PRIMARY SCHOOL

Pupil Premium (PP)

We are aware that the Pupil Premium, which is aimed at children from Reception to Year 11 pupils, is additional funding given to schools in order to address the inequalities between those children eligible for free school meals and their peers.

It is our duty to use the Pupil Premium effectively in order to raise achievement and narrow the gap between those children from low income families, looked after children, children whose parents are serving in the armed forces and their peers.

We have in place Pupil Premium Champions who is responsible for coordinating all activity relating to the support of pupils facing disadvantage and will track and monitor academic, pastoral and enrichment provision.

We have adopted the process for deciding how to spend the PP by acknowledging the 'Ten point plan on spending the pupil premium successfully' as outlined by the National Pupil Premium Champion:

- Step 1: Set an ambition for what we want to achieve with Pupil Premium funding.
- Step 2: The process of decision-making on PP spending starts with an analysis of the barriers to learning for PP pupils.
- Step 3: Decide on the desired outcomes of our PP spending.
- Step 4: Against each desired outcomes, identify success criteria.
- Step 5: Evaluate the effectiveness and impact of our current PP strategies and change them if necessary.
- Step 6: Research the evidence of what works best.
- Step 7: Decide on the optimum range of strategies to be adopted.
- Step 8: Staff training in depth.
- Step 9: Monitor the progress of PP-eligible pupils frequently.
- Step 10: Put an audit trail on the school website for PP spending.

It is our intention to disaggregate the Pupil Premium funding from the main school budget and to target the groups of pupils that it is intended for. Also, the funding will be spent on strategies considered to be the most effective on raising achievement.

We understand that we will be held accountable on how we use the Pupil Premium and that the achievements must be quantifiable. This will be done by using the school's performance tables to compare the achievement of Pupil Premium pupils with their peers.

By using pupil tracking data effectively we can identify the strengths and weaknesses of individual pupils and groups and then provide the relevant support that is necessary in order to accelerate pupil progress.

Every year we will publish online details on how we intend to spend our Pupil Premium allocation plus an evaluation of its impact from the previous year.

WOLSEY HOUSE PRIMARY SCHOOL

We will strive to improve the life chances of all disadvantaged pupils by using the extra financial resources of the Pupil Premium wisely and thereby narrow the gap.

We have a clear vision for what all our pupils will achieve through

- a whole school ethos of attainment for all;
- addressing behaviour and attendance;
- high quality teaching for all;
- meeting individual learning needs;
- deploying staff effectively;
- data driven and responding to evidence;
- clear, responsive leadership.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
