

## What amazing things can our senses do to help our bodies learn and grow?

Dear Parents and Carers,  
Welcome to year 1! We are looking forward to getting to know you and your children and helping them ease into the new school year. We have an exciting term planned with lots of interesting investigations.

As Mathematicians can we...?  
Sort objects. Count forwards and backwards within 10. Compare numbers and investigate number bonds within 10.

As Scientists can we?  
Name the parts of the human body that we can see?  
Draw & label basic parts of the human body?  
Identify the main parts of the human body and link them to our senses  
Observe and describe weather associated with Autumn.  
Looking at materials and investigating their properties.

Hook for learning...  
A visit from Wolsey Wolf.

Sticky words...  
smell, touch, sense,  
materials, malleable, texture

As Readers can we...?  
Use phonic knowledge to help me to decode words  
Read phase 2 and 3 graphemes and words with these in  
Understand what I read and can retell it in sequence  
Author of the term - David Mckee

As Writers can we...?  
Are learning about fairy tales.  
Use adjectives to describe characters and settings.

As speakers we ....?  
Use vocabulary to give our opinion.  
I like because  
To learn how to agree and disagree politely

In ICT can we...?  
Understand how to be safe online.  
Learn how to log on using my own details.

In Art and Design can we?  
Create pictures by exploring the use of different lines.

In PSHE can we...?  
Help others feel welcome in our class. Care about other people's feelings and design our class learning charter.

In RE can we...?  
Explore where I belong and what do I believe?

As Musicians can we...?  
Play instruments with a song.  
Following the Charanga Curriculum:
