

Wolsey House Primary School

ACCEPTABLE USE AGREEMENT
(Staff/Volunteer)
2025/2026

New technologies have become integral to the lives of children and young people in today's society, both within schools and in their lives outside school. The internet and other digital information and communications technologies are powerful tools, which can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. They also bring opportunities for staff to be more creative and productive in their work. All users should have an entitlement to safe internet access at all times.

This Acceptable Use Agreement is intended to ensure:

- That staff and volunteers will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use
- Wolsey House ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk
- That staff are protected from potential risk in their use of ICT in their everyday work
- The school has a duty to ensure that before using the internet with pupils, staff have had the opportunity to discuss how they will deal sensitively with inappropriate use.

Wolsey House will try to ensure that staff and volunteers will have good access to ICT to enhance their work, to enhance learning opportunities for students learning and will, in return, expect staff and volunteers to agree to be responsible users.

This policy applies to any device in school. It applies across the whole network and includes WiFi.

Wolsey House carries out secure content inspection. This means that when you access a site that uses techniques to secure the information between the website and yourself, Wolsey House can read the information and remove inappropriate content or prevent access to the material. Excluded from this inspection are sites that contain sensitive financial information, including banks and payment systems.

Your activity on the internet is closely monitored by the school, logs are kept of activity, whether on a school device or using your own device through the school Wi-Fi. These logs include who is accessing what material for how long from which device.

The school email system is provided for educational purposes, where required the school has the ability to access your school email for safeguarding purposes.

Acceptable Use Agreement

I understand that I must use Wolsey House's ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety

- I understand that Wolsey House will monitor my use of the ICT systems, email and other digital communications
- I understand that the rules set out in this agreement also apply to Wolsey House ICT systems (e.g. laptops, email, etc.) out of school, and to the transfer of personal data (digital or paper based) out of school.
- I understand that Wolsey House ICT systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school

- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it
- I will immediately report any illegal, inappropriate or harmful material or incident, I become aware of, to the appropriate person

Continued Professional Development

- Staff at Wolsey House Primary School receive up-to-date information and training on e-Safety issues in the form of staff meetings and updates from the Safeguarding Lead or Computing Subject Leader, as well as training from external providers where appropriate.
- New staff receive information on the school's acceptable use policy as part of their induction, including advice on Protecting their Professional Reputation Online.
- All staff have been made aware of individual responsibilities relating to the safeguarding of children within the context of e-Safety and know what to do in the event of misuse of technology by any member of the school community.

I will be professional in my communications and actions when using Wolsey House's ICT systems:

- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.
- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (e.g. on the Wolsey House website) it will not be possible to identify by name, or other personal information, those who are featured.
- I will only communicate with students and parents/carers using official school systems. Any such communication will be professional in tone and manner.
- I will not engage in any on-line activity that may compromise my professional responsibilities.

Wolsey House has the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- When I use my mobile devices (PDAs/laptops/mobile phones/USB devices etc.) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses
- I will not use personal email addresses on the school ICT systems
- I will not open any hyperlinks in emails or any attachments to emails, unless the source is known and trusted, or if I have any concerns about the validity of the email (due to the risk of the attachment containing viruses or other harmful programmes)
- I will ensure that my data is regularly backed up, in accordance with relevant school policies
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause

harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering / security systems in place to prevent access to such materials

- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings, unless this is allowed in school policies
- I will not disable or cause any damage to school equipment, or the equipment belonging to others
- I will only transport, hold, disclose or share personal information about myself or others as outlined in the school's E-Safety Policy, Appendix 1. Where digital personal data is transferred outside the secure local network, it must be encrypted. Paper based Protected and Restricted data must be held in lockable storage
- I understand that Data Protection Policy requires that any staff or student data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority
- I will immediately report any damage or faults involving equipment or software, however this may have happened

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work is protected by copyright, I will not download or distribute copies (including music and videos)

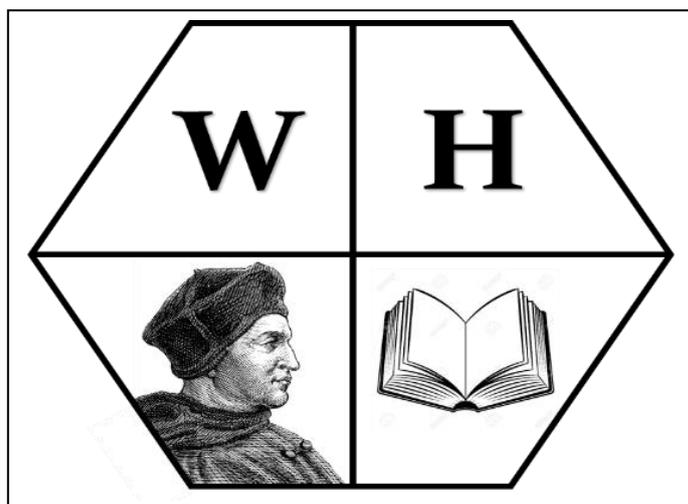

I understand that I am responsible for my actions in and out of Wolsey House Primary School:

- I understand that this Acceptable Use Agreement applies not only to my work and use of school ICT equipment in school, but also applies to my use of school ICT systems and equipment off the premises and my use of personal equipment on the premises or in situations related to my employment by the school
- I am aware that by breaching the rules and regulations it may lead to withdrawal of my user access or the monitoring of how I use the Internet.
- I understand that if I fail to comply with this Acceptable Use Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and in the event of illegal activities the involvement of the police in relation to the Computer Misuse Act, 1990.
