

ETHOS POLICY

WOLSEY HOUSE PRIMARY SCHOOL

HEADTEACHER: MR S POWELL
CHAIR OF GOVERNORS: MR M PEATFIELD

Ethos Policy

We believe that 'a positive school's overall ethos provides all members of the school community with a safe and respected environment, and is paramount in obtaining a successful learning environment.' (DfE)

We are fully committed to every child receiving the very best education and to ensuring that all pupils reach their full potential in a safe, secure, welcoming and nurturing school environment where everyone is valued equally.

We work hard to maintain a positive ethos where all members of the school community work well alongside each other developing positive working relationships.

We feel the school's warm and friendly atmosphere makes it easy for new pupils to settle into the school and make lasting friendships.

We want pupils to come to school to enjoy the meaningful experiences that we offer and where they feel valued and special. We want them to have a sense of pride in themselves and their school.

We are aware that our pupils bring different experiences, interests and strengths, which will influence the way they learn.

We strive to provide and maintain for our pupils an education that provides opportunities so that they can explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

We want school personnel to see the importance and derive a sense of fulfilment from their work in school but above all we want them to feel valued by everyone in the school community.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child, that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
