Learning about algorithms and the Project Evolve digital safety pillars

AI MISSIONS:
Understanding how AI impacts popular games and learning platforms

AT WOLSEY HOUSE PRIMARY SCHOOL WE ACHIEVE OUR AIMS BY...

1. Empowering confident, resilient, debuggers of technology.
2. Navigating the online world with kindness and respect (Project Evolve).
3. Developing digitally literate creators who select the right tools.
4. Understanding our digital footprint for future education.
5. Balancing technology use with mental health and well-being.
