

FRENCH

At Wolsey House Primary School, French is an important part of our broad and balanced curriculum, supporting pupils to become confident, enthusiastic language learners. We follow the *Language Angels* scheme, a comprehensive and progressive programme that ensures consistency across year groups while enabling teachers to meet the needs of our diverse school community. Through engaging lessons that build vocabulary, pronunciation and cultural understanding, pupils develop key skills in speaking, listening, reading and writing. Our approach lays strong foundations for future language learning and encourages children to appreciate and celebrate the wider world beyond their immediate experience.
