

Here you'll find an overview of Phase 3 blocks, sets and accompanying teaching packs. The overview provides corresponding GPC's and suggested words/pictures/captions to use when teaching each block in this phase. At Wolsey House Primary School, we use Collins Big Cat books which are closely matched to our phonics teaching. By identifying the sounds the children are secure with in the relevant unit, select the correct and relevant decodable book for children to read at school and home.

Suggested words below are varying length and complexity. A range of high frequency words (decodable and tricky) relevant to this phase have been incorporated into the words and captions below and are also included in Collins Big Cat Phonics books. Please refer to the list of high frequency words for this phase and ensure children are exposed to these words through additional opportunities across the curriculum.

As always, use this document alongside your professional judgement to decide which words and captions to use during lessons based on children's assessments and needs, ensuring children are familiar/ready for the sound pattern included in the words/any different words you choose.

Set	GPC	Words	Pictures	Captions (with pictures)
6	j – jigsaw	jam, Jill, jet, jog, Jack, Jen, jet-lag, jacket	jelly, jellyfish, jug, Jack-in-the-box, jigsaw, jam	the pot of jam has no lid Jack and Jen
